

COMMISSIONERS VISIT

WILLOW TREE ALLEY

Survey Needed to Show Whether Building Removal Contract Has Been Carried Out.

Inspection was made by the District Commissioners today of Willow Tree alley between 3d, 4th, B and C streets southwest, which will be opened next spring as an interior park. The engineer department of the local government plans to spend about \$8,000 in laying sidewalks and curbs around the park, following which it will be turned over to the office of the superintendent of public buildings and grounds.

The object of the Commissioners' visit today was to determine whether the contract for the removal of buildings on the site has been fully complied with. A survey of the area will be necessary before the Commissioners reach a conclusion as to whether several sheds and fences still standing are on the area acquired by the District. The appropriation for the condemnation of Willow Tree alley was \$75,000, but only \$63,000 of this amount was necessary, leaving a balance of \$12,000 for improvements.

NEW YORK, September 19.—"Old George" Thompson, eighty-two years of age, decrepit and ragged, who since 1876 has figured in the annals of the police department of nearly every large city in the United States as a pickpocket of the first order, is again in the toils of the law. He was arrested yesterday by a policeman, who says he found the aged man with his hand in a citizen's pocket in a public house. The intended victim refused to make any complaint because of Thompson's age, but the old man was held for trial on a charge of attempted grand larceny.
